

Warranty

Lunar's are famously well built and reliable, but for total peace of mind ALL Lunar Caravans are supplied with:

- A 6 year body shell integrity warranty
 - A 3 year manufacturers backed warranty (specific exclusions apply).
- (Subject to an annual service and inspection and excluding items subject to normal wear and tear).

Each Lunar model has been certified by the NATIONAL CARAVAN COUNCIL for compliance with stringent European Standards, British Standards AND the industry set Codes of Practice that specifically relate to health and safety issues.

The approvals process covers the testing and inspection of all critical areas of the product from fire safety, weights and dimensions through to gas, electrics and ventilation. In order to ensure Lunar's continuing compliance with their stringent standards, the NCC also carry out unannounced spot inspections at the company's Preston factory.

Every caravan carries the 'NCC Approved Caravan' badge that gives you the peace of mind in the knowledge that your caravan is both fully legal AND safe.

The Lunar Owner's Club

When you choose Lunar you have a great, exclusive opportunity to join the growing band of enthusiasts that enjoy all the special benefits of being a Lunar Owner's Club member. As an Owner's Club member you will receive regular information-packed newsletters with all the latest news on forthcoming events, letters from fellow members and the inside track on the new developments from Lunar Caravans themselves. Every member is welcome at the Club's numerous exclusive rallies across the UK, you'll meet a host of new friends who share a common interest in enjoying caravanning in a Lunar. These seasoned veterans can also offer a wealth of knowledge and expertise to help you enjoy lightweight touring at its VERY BEST.

2010 Ariva / Quasar

The Ariva / Quasar range offers great value, lightweight touring caravans for families of all sizes. With eight layouts to choose from these popular models are primarily family orientated caravans offering good specification tailored to match the needs of everyday touring with a great choice of layouts ranging from 2 to 6 berths.

Following the same specification and styling as Quasar, the Multi Award Winning Lunar Ariva is a unique and popular caravan. Narrower and lighter than any of its rivals, the Ariva offers exceptional luxury in a truly compact package. With a spacious feel for two, an easy to handle, lightweight body all with an MTPLM under 1000KG! The Ariva is also the Winner of the 2007, 2008 and 2009 Caravan Club Lightweight Leisure Trailer Awards for a 'Conventional Caravan Under 1001kg'.

Along with innovative layouts and additional specification the Ariva / Quasar range has been carefully styled to offer comfort and practicality to families wanting a fresh and airy appeal in their caravan. The locker doors with silver banding tie in perfectly with the silver handles, lighting, fridge and other kitchen equipment.

With an attractive price tag, the Quasar also offers numerous quality features that are normally associated with premium model ranges, such as a Thetford C250 swivel toilet, 112 litre electronic fridge, microwave, radio/CD player, multi-directional TV aerial and an AKS stabiliser.

Highlights for 2010 include new stylish graphics, new ceiling and wallboard and 'Cavalon' soft furnishing scheme creating a charming yet practical appeal to the interiors.

As always the focus with the Quasar range is to offer more features, more value, more luxury and LESS weight! Whether Single or Twin Axle, the low towing weights enable Quasars to be towed comfortably by most typical family cars.
